Multiple Address Memo from C/IMSS
dated 6 August 1984 - Office of Logistics
Annual Planning Conference

In response to your request, the following is a possible
discussion topic for use at the Planning Conference:

Discuss current strategy used in forecasting
Agency component requirements for OL personnel
resources. Also discuss alternative ways to
improve these forecasting techniques in order
to maintain a responsive posture without
overtaxing main OL resources.

Dave:

In response to referent, there are two topics which should be discussed.

- a. The impact of socio-economic programs on the Office of Logistics.
- b. How to deal with the recruitment of personnel -
(could someone please explain the process).
